

In Britain, the Roman unity had broken up under pressure of raiding Picts and Scots - Irish Clans who had established themselves in Argyll - in the north, Irish raiders in the West, Jutes and Saxon waves in the south.

In the course of a hundred years between the (reported) landing of Aella in Sussex and the victory of the West

Saxon CATHLAN at DEORHAM in the
West Country (577) overcame groups
of Pagan Saxons in Anglo Saxon
and established their dominion in about
half of the island so the south of the Fens.

Restoration of Zeno; fall of Basiliscus
revolt was crushed.

Zeno acceded to Odooce's request
to become "Patrician"

Also in 477, Theodoric died. He
was succeeded by his son Hunneric
~~Under him~~ the Vandal kingdom
was obliterated in AD 534

When Boalieu was killed, Theodore
stated (the masoning camp of Boalieu)
acted with his troop and the
Balkan mountains, and invited the
Tooth make friends, making the
advisors take the consequences

The capital (Constantinople) received an embassy from Theodoric Strabo offering his return to private status and simultaneously denouncing Theodoric the Great as the scourge of the Roman Empire. However, it was well known that Theodoric Strabo continued to conspire with the anti-Zeno party. Zeno therefore took a tough stand, and the senate and the army declared

Hardis Study on enemy of the empire

C477

Odoacer accepted the reality of
Euric's Sallic conquest. The Visigothic
king thus acquired nearly all of the
Bankrupt Empire's "assets" in the
"seven provinces".

477

It was probably in 477 that Odovacer made peace with the VISIGOTHIC king EURIC. Their agreement made the ALPS the border between the two kingdoms.

477

Saxons win foothold in SUSSEX.
Followed by other Saxons (Wessex
and Essex) and by Angles.

477-484
